

PREPARE FOR TAKE-OFF AT THE BARNYARD

The Barnyard Theatre at Gateway is once again preparing for take-off with their latest show, *Rocking In A Free World*, which is staged at the venue from 5 March to 14 April.

Following from the success of *Rocking All Over The World*, this show brings audiences a hot new line-up of songs and cast members, but once again takes you on a wild trip to 12 musical destinations with the crazy Barnyard air hostess leading the way. Featuring the greatest artists and music from United Kingdom, America, Sweden, Brazil, Greece, Spain, Jamaica, Australia, Italy, Canada, France and the good old RSA, *Rocking In A Free World* once more sets up a party like no other!

Get ready for a crazy musical journey where we touchdown in London in the swinging sixties with music from The Beatles, Cliff Richard and The Shadows and present day icons like Adele and the late Amy Winehouse. Then it's on to Sweden for the fabulous duo Roxette, before crisscrossing the globe to Jamaica with music from Eddie Grant and Bob Marley. In Australia we encounter the outback with Midnight Oil and INXS before touching down in Canada who boast super stars Shania Twain, Celine Dion and Nickelback to name but a few. The USA is the birth place of rock and roll and we crisscross the states from Los Angles to New York for the pop scene of recent outrageous icons like Lady Gagga, Pink and Katy Perry to the wackiness of Steve Tyler's Aerosmith and Meatloaf. We also stop over for some good old country music and a Texas hard rocking romp with ZZ Top. In Brazil we dance the night away to the sounds of Shakira and Ricky Martin before stopping over in Europe to Greece to celebrate Zorba the Greek and let's not forget Italy with songs like Ill Mondo and France with the passion of Edith Piaf. After touching down in Barcelona, Spain we end up in South Africa with a musical history envied by the world. Music from our own icons like Brenda Fassie, Yvonne Chaka Chaka, Johnny Clegg, Mango Groove and Freshly Ground brings this musical journey to a rocking climax.

Rocking In A Free World is a party for everyone and will have you rocking from the first number to the final anthem.

JASON'S ROCKIN' FUNDRAISER

Jason is 5 and a half years old. He is tube dependent and has had a feeding tube in his stomach since he was a year and a half. He does not eat on his own and relies on a feeding tube at night for his nutrition. He is also immunodeficient and is hospitalised regularly due to infections as well as medication which he has every 3 weeks in hospital.
